

# CONCRETE DELIVERY PROFESSIONAL

## *Appreciation*

**WEEK  
2021**

WRMCA is proud to announce that August 2<sup>nd</sup>- 6<sup>th</sup> will serve as Concrete Delivery Professional Appreciation Week! We know that our members operations are only as strong as the individuals supporting them – this is why we want to take the week to truly show our appreciation for the Concrete Delivery Professionals that make us #StrongerTogether.

During the week we will have a winner (or two) announced each day. We encourage your company to participate.

This week features our Delivery Professionals and why they love being in the ready mixed concrete industry! Simply have your drivers submit their **WHY by July 30th** with the survey monkey link below and we will draw winners for Kwik Trip gift cards.
